"Since we started raising registered cattle in 1988 our focus has been to raise moderate-framed, easy-fleshing, low-management cows that have as much early growth and performance as possible without sacrificing maternal traits, fertility and mature size."

"We run in rough Badlands country in western North Dakota with no creep feed in a commercial cow/calf environment."

"We are committed to offering time-tested genetics to the commercial cattleman at an affordable price with recognized value"

Private Treaty offering for 2011:

-  50 Yearling bulls – AI sires: SAV 8180 Traveler 004, Sinclair Extra 4X13, Boyd New Day 8005, Leachman Right Time. A number of them are full brothers (from ET flushes) for servicing multiple bull pastures.
-  A select group of 4 two-year-old bulls that we reserved to pasture cover our registered and commercial cows in 2010.
-  Registered and commercial 2010-born replacement heifers priced individually or in packages.
-  A handful of ranch-raised riding horses and prospects with various degrees of experience and age from weanlings to five-year-olds.
-  2012 bull offering will include sons of A.I. sires:
 - CAR Tracker 904 - AAA# 13394896
 - LAR Alliance 64L - AAA# 14031814
 - OCC Missing Link 830M - AAA# 14456399

You should know:

-  The bulls are developed on a high roughage ration to maximize longevity and soundness. The target average daily gain is 2.75 lbs.
-  All yearling bulls will be performance tested, carcass ultrasounded and pass a breeding soundness exam prior to delivery.
-  All two year old bulls will be fertility tested and tested for trichomoniasis prior to delivery.
-  We offer volume discounts, a first year breeding guarantee and free delivery in ND and MT.
-  We provide yardage until requested delivery / turn out (end of June) Our private treaty prices range from \$1,500 - \$3,500.
